

JONALYN ANDREA AUSAN

VIRTUAL ASSISTANT — DATA ENTRY, INVOICE & ACCOUNTS RECEIVABLE SPECIALIST

Quezon City, Philippines | jonalynandreausan@gmail.com | LinkedIn: linkedin.com/in/jonalyn-ausan

WHY WORK WITH ME

I help business owners eliminate costly errors in their invoices, data, and documentation. With 15+ years validating high-volume financial and freight records for global companies (Maersk, DSV, Expedock), I bring a zero-error standard and fast turnaround to every task I take on — backed by fluency in SAP, CargoWise One, and AI-assisted workflow tools.

KEY RESULTS

- 100+ shipping, customs, and invoice documents processed daily at 100% accuracy
- 50+ invoice disputes resolved daily with monthly root-cause reporting to improve process quality
- 15+ years across freight documentation, accounts receivable, and dispute resolution for global clients
- AI-assisted workflows (ChatGPT, Copilot, Gemini) used to speed up review and reduce turnaround time

SERVICES OFFERED

- Data entry & document validation (high-volume, zero-error standard)
- Invoice processing, billing, and payment application
